

What did you like about Tim Cahill?	What didn't you like about Cahill?
<p>Pragmatic</p> <p>Straight forward</p> <p>Convinced he would fairly weigh decisions</p> <p>Says he'd target managers if layoffs needed</p> <p>Pension reform support and cuts at the administrative level vs. furloughs for line staff</p> <p>Honest, working class background</p> <p>Informed and direct</p> <p>Willing to come to the forum</p> <p>I like his work history and that he understands what working people's lives are like.</p> <p>I appreciate his openness and honest opinions. I like the fact he is not changing his opinions to accommodate the audience.</p> <p>Won't back track on state employee pension promises. Moving forward we may have to adjust new employees' pensions</p> <p>Sustained pension system</p> <p>Answered directly</p> <p>Shares some of Gov Patrick's beliefs</p> <p>Has the guts to come and speak on the issues when he knows he won't be popular</p> <p>Like that he showed up</p> <p>Willing to state his positions even if unpopular</p> <p>Would rather cut managers than workers</p> <p>Thought he was honest about the public perception of government employees and how that needs to change.</p> <p>Balance layoffs with management layoffs</p> <p>Honest, differing views</p> <p>Very civil</p> <p>Believes in both private and public sector jobs</p> <p>Education focus</p> <p>Opposed to national health care reform</p>	<p>Supports tax cuts, against tax reform</p> <p>Lack of support for responsible contractor policy</p> <p>Answer to everything is cutting back</p> <p>Anti-Pacheco Law (pro-privatization)</p> <p>Wants to cut way too much revenue and thinks we can still protect jobs</p> <p>Opposes progressive income tax</p> <p>Opposes national health care reform</p> <p>Lower taxes equals layoffs for service provider industries</p> <p>Did not like his response in CORI reform, and Immigration Reform</p> <p>Lower taxes</p> <p>I adamantly disagree with his vision of government, position on taxes, position on immigration, Pacheco, and others.</p> <p>Roll back taxes, but wants to increase revenue</p> <p>Takes some stale and backwards positions, especially on the Arizona Immigration Law and instate tuition for undocumented workers</p> <p>His main message is to cut taxes and services.</p> <p>Too much emphasis on private sector and lower taxes</p> <p>Well intentioned, but not adequately informed.</p> <p>Probable cuts in state employees and tax rollbacks</p> <p>Thinks government is not the solution</p>

What did you like about Deval Patrick?	What didn't you like about Patrick?
<p>Good presentation</p> <p>His administration has made the hard choices and cuts.</p> <p>Not the other candidates</p> <p>His vision of the commonwealth</p> <p>Progressive taxation, fiscal leadership</p> <p>He has the experience to complete the task of representing the people of Massachusetts</p> <p>Clear goals, Competent problem solver</p> <p>I agree with many of the governors policies and opinions</p> <p>Need to educate people on real pension; most employees are paying for their own retirement!</p> <p>Build grass root support for instate tuition for kids</p> <p>Won't rollback taxes until revenue is there</p> <p>He is a great speaker and mostly says he supports the things I care and believe.</p> <p>Does not support Arizona immigration law</p> <p>Honest answers that were not sugar coated. Generally clear on his positions.</p> <p>Sincere, thoughtful, good grasp of pulse of workers in all fields</p> <p>Admitted to making some unfavorable decisions, he's honest.</p> <p>Economy went bad that wasn't his fault.</p> <p>Card check bill</p> <p>Government is there to help people help themselves</p> <p>Supports equitable treatment of immigration children</p> <p>A high degree of specific knowledge</p> <p>I liked his comments on CORI reform</p> <p>I liked his response to Cesar about generational responsibility</p> <p>For progressive income tax, cannot reduce sales tax</p> <p>His generational views</p> <p>I think he is truthful when he says he needs time to finish some stuff he has already started. I believe he is honest. I want to make him follow through with quality care funds for private sector workers.</p>	<p>Hasn't improved labor relations and OER culture enough</p> <p>Supports DCF commissioner</p> <p>Needs to connect more with the African American community and not take them for granted.</p> <p>Cost of healthcare reform</p> <p>Failed to live up to promises, like quality care</p> <p>Unfortunately his record doesn't support his beliefs and important campaign commitments, even though he is not responsible for the economic crisis.</p> <p>I hope he has learned to work better with the legislature.</p> <p>Weak on commissioner/DCF position</p> <p>He won't make the needed changes to the secretariat: Bigby needs to go.</p> <p>Not sure I can trust him because he has made promises like quality care fund for human service workers but didn't follow through.</p> <p>Support of current leadership of agencies. Particularly Dr. Bigby. No action on DCF, no confidence vote.</p> <p>Sounded rather bland</p> <p>The state's age discrimination against older workers for the state.</p> <p>Said the right things, but putting them into action has been lacking.</p> <p>Would have liked to have seen mantra of 'let me finish what I started' emphasized more</p> <p>Rhetoric sounds good but performance lacks</p> <p>Senior workers bypassed for promotions</p>
