

## Candidate Statements: DCF Regional VP Boston

### **Latiaya Grooms**

I am running for Vice President of the Boston region to strengthen transparency and communication, enhance social worker safety, and provide members with the essential tools and support they need to excel.

Members deserve a safe and supportive work environment and the fulfillment of promises to keep workers safe. Members deserve clear, timely communication with realistic expectations and work demands. Lastly, members should receive effective, concrete, and uniform training that is evidence-based and culturally relevant to better support the children they serve, and I would like to ensure this happens for the Boston Region.
