

Candidate Statements: DCF Regional VP Central

Michael Ippoliti

My name is **Michael Ippoliti**, and I'm running for **Central Region Vice President** for DCF. Our agency and union are facing challenges unlike any we have seen before, and we need a leader who is **present, motivated, and transparent**.

As a **Chief Steward in two different offices**, I have worked to rebuild respect for our union and strengthen member engagement. At my prior office, we built one of the **strongest steward teams in years** with record-low turnover.

If elected, I promise to **answer your calls, visit your area offices, and fight for everyone**. You can count on my full attention and dedication to improving **contracts, working conditions, representation, and respect** for all members.

I believe in teamwork, accountability, and action. I will **listen carefully, act decisively**, and face every challenge head-on.

Please vote for me this November because when we fight, we win!
